- 10.6.5.** Forecasted weather conditions on the days of the conference
- 10.6.6.** Contact information of EBCs from the hosting LC

11. General Processes for Allotment

11.1. MBSC must launch a delegation tracker/form at the time of announcing the hosting entity, to take an expected delegation count from each entity. All entities (LC/SU3/SU2/SU1) would be given a window of 48 hours to fill the form.

11.1.1. Each LC will have to pay the delegation fee of the given number of delegates registered and given focus approval before the conference starts or the number of delegates that come for the conference, whichever is higher.

11.1.1.1. Parent LCs fill the slot allocation forms on behalf of their SUs, and provide designated slots for SUs to be allocated under the corresponding Parent LC.

11.1.1.2. There would be a minimum of one slot allocated to SU1 & SU2 entities. The slot calculation for LCs and Start Ups shall happen in the following manner:

The total number of slots for LCs and Start Up Level 3s shall be calculated by subtracting the total number of slots allocated for the use of Start Up Levels 1 and 2 to Parent LCs from the total number of slots available for the Conference.

11.1.1.3. For this calculation, we take categories A, B, C, D.

Category A consists of : Voting Members Entity within 700km of proximity with the Conference Venue

Category B consists of : MiA/ EiD/ MiA & EiD & SU3 within 700km of proximity with the Conference Venue

Category C consists of : Voting Members Entity more than 700km of proximity with the Conference Venue

Category D consists of : MiA/ EiD/ MiA & EiD & SU3 more than 700km of proximity with the Conference Venue..

11.1.2. In case any entity fails to fill the tracker within the given deadline, the LCs will have to pay according to the final approved slots by the MBSC.

11.1.3. LCs shall be allocated Conference Slots based on the form response, their current Membership Status, Distance to the conference venue and

Membership Size. In the given below weightage

Form Response : 50%

Current Membership Size : 25%

Distance to the conference Venue : 25%

The total number adding to the minimum delegate required.

- 11.1.4. MBSc slot allocation will be based on the minimum delegation count required and promised to the hotel by the hosting entity. The hosting entity must provide necessary proof's to MBSc. This minimum delegation count will reflect the least number of delegates needed to run the conference at break-even, determined by the budget submitted and reviewed by MBSc. OC from any entity AIESEC in XYZ will be considered as part of the delivery team and not considered as a delegate
- 11.1.5. The weightage of each category would be given based on the number of entities in each of the category, If there is less than 5 entities in Category A & B combine, Category A & B would be dissolved and the slot allocation would be done for all entities based on Category C & D ignoring the geographical location of 700km criteria.
- 11.1.6. The Slot Allocation Matrix would divide the total number of delegates in below given weightage

Category A : 40%
Category B : 30%
Category C : 20%
Category D : 10%
- 11.1.7. If a year 2 or more EiD entity is not able to meet the required minimum delegation criteria as per the MBSc slot allocation. The slots would be transferred to Category A, B, C & D in the ratio 4:3:2:1 with an exemption of the Year 2 or more EID entity.
- 11.1.8. This calculation shall be referenced to as the MBSc 2024 Slot Allocation Matrix henceforth.
 - 11.1.8.1. All Entities are required to fill the minimum allocated slots. If they fail to do so, the hosting entity will invoice each respective Entity based on the allocated slots. Failure to pay the invoice will ensure that the amount is added to the LC-LC Split
 - 11.1.8.2 Entities are allowed to transfer slots. Transfer of slots between Entities will have to be communicated to MBSc over an email before the deadline of Focus Approval of registrations of final round and the settlement of the delegation fees for the slot(s) and other finances will have to be done internally between the Entities.
 - 11.1.8.3 The transfer of slots can be requested by any Entity by sending a mail to MBSc with the Entity the slots are being transferred to along with the count of the slots. The final deadline for the transfers would be before the Focus approval of Final Round.
- 11.1.9. Entity would be given an exemption from the slot allocation matrix only after the consent MCP & MBSc. The slots of the particular entity would be

re-divided based on the MBSc 2024 Slot Allocation Matrix exempting the particular entity given an exemption.

- 11.1.10. In case the number of delegates attending the conference from any Entity is less than the number of delegates committed through the delegation approval list, then that particular Entity will have to pay the delegation fees for the number of delegates committed. Also, the delegation fee will be the same for all delegates irrespective of their duration of stay of the conference.
- 11.1.11. The Hosting LC must provide the necessary information to LCs whose delegates need to make use of the pre-stay facility. The details provided must include cost and quality of the venue for the pre-stay. The Hosting LC however, is not responsible for any delegate(s) for the duration of the pre-stay.
- 11.1.12. It is mandatory for all the Entities to fill the minimum slots allocated. If failed to do so the hosting entity will invoice according to the slots allocated to the respective Entity.
- 11.1.13. If a Local Committee is unable to fulfill its allocated delegation slots, the LC must either officially transfer the slots to another LC through an email process to MBSC, with confirmation from the receiving LC, or remain liable to pay the delegation fee for the allocated slots. In cases where transferred slots are not fulfilled by the receiving LC, the original LC shall remain financially responsible for the delegation fee of the unfulfilled slots.

12. Finance of National Conferences

12.1. Maintenance of Books:

12.1.1. The Basic books of accounts to be maintained are:

- 12.1.1.1. Receipts and Payments vouchers with documentary proof of bills in the case of payment vouchers.
- 12.1.1.2. Only the voucher template as recommended by FSc and MBSc will act as valid proof of payment for a National/Regional Conferences.
- 12.1.1.3. Ledger accounts of all accounts maintained.
- 12.1.1.4. OC Stall Stocks and daily sales records.
- 12.1.1.5. Hosting LCs should follow the budget template mandated by the MBSC.

12.2. Auditing Procedures:

- 12.2.1. The Conference's Financial Report & Discharge Report (containing all the details of the conference such as agenda, total number of delegates, CC structure, overall finances, social agenda) should be submitted within 30 days from the end of the conference.
- 12.2.2. In case of failure to send the reports within 30 days, a mandate fine will be levied on the Hosting LC. In case of failure to send the reports after 45

days, a fine of ₹25,000/- will be levied on the Hosting LC. Whereas, in case of failure to send the reports after a span of 60 days, the LC will not be allowed to submit any further reports for discharge, thus resulting in no claim to any MC Receivables and subsequent LC Split.

13. Conference Guidelines

13.1. Conference Partnership Guidelines:
