I – CONSTITUTION

1. Name

- 1.1. The name of the organization shall be AIESEC.
- 1.2. AIESEC is a global, independent, non-partisan, not-for-profit youth-run organization.
- 1.3. AIESEC does not discriminate on the basis of gender identity and/or expression, sexual orientation, ability, creed, or religion, not on the bases of national, ethnic, or social origin.
- 1.4. Global - AIESEC is present in all parts of the world. We have a global network that strives to make the world a better place through leadership development and peace while standing up for fundamental human rights.
- 1.5. Non Partisan - AIESEC chooses peace above all and therefore does not have a pre-defined or officially accepted political tendency or subscription.
- 1.6. Independent - AIESEC as a global network is not a subsidiary or an entity that is dependent on any other bodies in its work, sustainability or decision-making. As an organization we are free to set our own goals and pursue them.
- 1.7. Not-for-Profit - AIESEC's main goal is to develop leadership for young people to have a positive impact in the world. We use our resources sustainably to generate impact rather than making profit for shareholders.
- 1.8. Youth-run - AIESEC is completely run by youth for youth.

2. The AIESEC Way

- 2.1. The why of AIESEC: We strive to achieve Peace and fulfillment of humankind's potential.
 - 2.1.1. In today's context, 'Peace' does not only mean avoiding war. Peace can refer to a world where no conflict arises from cultural, religious, or other differences in humanity. Peace can also refer to being in harmony with yourself. AIESEC's aspiration is for every young person to work towards their understanding of peace and take collaborative action towards fostering a better world.
 - 2.1.2. Through "Fulfillment of Humankind's Potential", AIESEC envisions a world where people continually become better versions of themselves and empower others along the way.
- 2.2. Who does AIESEC serve: We engage and develop youth to create a better future for themselves, their communities and therefore the world.
 - 2.2.1. Getting young adults involved and developing them is essential. We believe that we as young people have the responsibility to create a long-lasting, positive impact on our own lives, our communities, and the world at large. We trust that we will drive and shape the future with our passion, dynamism, and innovative spirit.
- 2.3. How do we achieve our why: We believe leadership is the fundamental solution and it can be developed in anyone, anywhere. We empower young people to become value-driven leaders who positively impact the world around them.
 - 2.3.1. AIESEC is a platform that strives to unlock the potential within humankind. We do that by enabling young people to demonstrate and live by values based on AIESEC's leadership development model. We believe that challenging experiences with AIESEC and leading with values in mind paves the way for a positive impact.

- 2.3.2. **Our Unique Leadership Development Model** - AIESEC's leadership development model seeks to prepare youth to take a stand on what they care about and embody the AIESEC values for long-lasting impact.
- 2.3.2.1. **Activating Leadership**: We lead by example and inspire leadership through actions and results. We take responsibility for developing the leadership of others we live it by inspiring others to be role models.
- 2.3.2.1.1. Defining elements: Practicing empathy, Inspiring others.
- 2.3.2.2. **Enjoying Participation**: We celebrate and enjoy the way we are and what we represent in the society considering the role of youth in the world we live it by putting youthful energy in everything we do.
- 2.3.2.2.1. Defining elements: Demonstrating enthusiasm, Being proud in who we are.
- 2.3.2.3. **Striving for Excellence**: We continuously improve through creativity and innovation. We strive to deliver the highest quality performance in everything we do we live it by encouraging each other to be better and appreciating each others' feedback.
- 2.3.2.3.1. Defining elements: Self-developing based on feedback, Continuous learning.
- 2.3.2.4. **Living Diversity**: We seek to learn from different ways of life and opinions represented in our multicultural environment. We are inclusive by respecting and actively encourage the contribution of every individual.
- 2.3.2.4.1. Defining elements: Building inclusive spaces, Capitalizing on each other's differences.
- 2.3.2.5. **Acting Sustainable**: We act in a sustainable way for our society. Our decisions take into account the needs of future generations we live it by building on what has been done in the past.
- 2.3.2.5.1. Defining elements: Making long-term decisions, Managing resources sustainably.
- 2.3.2.6. **Demonstrating Integrity**: We are consistent and transparent in our decisions and actions . We fulfil our commitments and conduct ourselves in a way aligned with what we envision we live it by fulfilling our promises and communicating in an open way, our actions back up our words.
- 2.3.2.6.1. Defining elements: Living authenticity, Doing what is right.
- 2.3.3. Our values guide our everyday actions and decisions. They shape our organizational culture, bringing the AIESEC way to life.
- 2.3.4. We embed these values in every leadership experience we deliver.
- 2.3.5. This is the leadership that we believe in and develop.
- 2.3.6. **Inner and Outer Journey**: We believe that young people learn best by doing and reflecting. The following diagram shows the framework AIESEC provides in every experience, enabling young people to learn the most from every experience. The outer journey is the individual's interaction with the external environment. The Inner Journey

is the internal change that happens within the individual. The combination of the two ensures that what someone learns from any experience will stay with them forever.

- 2.4. **What do we offer:** We enable young people to develop their leadership through learning from practical experiences in challenging environments. We provide opportunities that seek to enhance cross cultural understanding in collaboration with like-minded partners.
 - 2.4.1. **Our Impact:** We create direct and positive impact in the world by developing leadership in young people. We impact the world indirectly by designing cross-cultural opportunities that strive to address society's challenges.
 - 2.4.2. **Cross Cultural Understanding:** Cross-cultural understanding encompasses an understanding of different nations or territories, races, ethnicities, religions, as well as across different sectors and segments of society.
 - 2.4.3. **Leadership Opportunities:** AIESEC provides diverse opportunities such as exchange opportunities, work experiences, volunteering, and other activities created for young people to develop their leadership in unfamiliar environments.
 - 2.4.4. **AIESEC Membership:** AIESEC members collaborate in teams to create, support and manage these cross-cultural, practical experiences. This provides an opportunity for our members to live fulfilling team experiences that activate their leadership potential.
 - 2.4.5. **Our Partners:** We define our partners as an individual, corporation, institution, or organization that shares our values, adheres to our ethics, and helps us amplify our impact.
